

Government of US Health File (NCM™)

Total Records **158,579**

File Description

A comprehensive listing of Health related employees within the US Federal, State and Major City Governments. Your list order is prepared using researched key words within an employee's job title, office name and main department. Using these targeted keyword selections will help your business successfully market your products/services to the government. We also provide advice on selecting the right audience for your products and services. Our government files are further enhanced with the inclusion of internal mail stops, office locations, buildings & room information for prompt delivery of mail. This file will help you reach all levels of Government by mail, phone, fax or email campaign. The US Government market represents billions of dollars of purchases for product and services within all industry sectors. This file is a must for business mailers.

Our Expertise

NCM List Services Division has been providing Government lists for over 20 years. Our in-house data verification team are constantly updating our government databases throughout the year. NCM List Services Division stands 100% behind our files. We will match and better any competitors quote.
